# PODIUM

Hello Shipmates, It sure has been "Hot"! I hope this finds all of you doing well though.

I want to express the appreciation of everyone who attended the Fourth of July Ceremony here at Branch 91 to the cadets of Ridgeview NJROTC. Their drill exhibition was enjoyed by all and we thank them for taking the time to show us what they learn during the year. Who knows, we may see some of them in the future wearing a NAVY, MARINE or COAST GUARD uniform.

Just a short reminder that membership in the FRA is really important for all active duty members, former enlisted, veterans and retired members of the United States Navy, United States Marine Corps, or United States Coast Guard. We want to be the place where you can voice your opinion and keep abreast of the happenings on Capitol Hill. Our voice {the voice of the Fleet Reserve Association, is so much louder with your membership, we speak as one united for your promised benefits. Unfortunately now many do not feel that they need to join, but we need to get out and inspire them to join. We need to wake these Shipmates up to "Reality", we really can lose the benefits we were promised. Many of us have seen this happening all ready. I urge each of you to talk the FRA up and remind your fellow nonmember Shipmates of the importance of standing united. United we will make a strong statement to our law makes. The FRA has made a difference in the past and we need to continue with the fight and make a difference in the future.

FRA announced that the theme for the 2015-2016 Americanism Essay Contest is "What the United States Flag Stands For". This contest is open to Grades 7-12 (including those who are home schooled) with the deadline being December 1, 2015. More information may be obtained by contacting Branch 91's Americanism Chairman, Bill Hartman (904-264-8908) or you may go to the FRA web site (www.fra.org). Info may be found under the heading About FRA, subheading 7th – 12th Essay Contest.

We are so pleased that the Jacksonville Area USO has been doing a monthly "NO DOUGH Dinner" for area active duty Military Personnel and their families. (There is no charge to those who attend.) The USO thanks everyone who helps with making this meal happen and we thank the USO for seeing that it does happen. As our part Branch 91 is proud to be able to offer our facilities for this monthly event. Wish they had this back when I was still active duty but glad to see it happening now.

Once again the Branch will be involved with the annual Toys for Tots Campaign. The Branch Home will be a collection site where you may drop off your donations. All the toys collected here are distributed in the local area by the members of the Roy S. Gieger Marine Corp League which meets in our facility. The campaign officially starts the end of September and will run through the middle of December. Remember they want new unwrapped items. We hope that we can meet or exceed our numbers from last year.

Remember we are here to serve you and welcome any suggestions on how we could better do that. We hope you come down and check out your Branch Home.

Until next time, I remain yours in Loyalty, Protection and Service,

Jim "Robbie" Robbins, President

# Navy Terms and Trivia

**Charge Book** During World War II, Commanding Officers were authorized to advance and promote deserving and qualified sailors to the highest enlisted rank of Chief Petty Officer. The determination of "deserving and qualified" could be difficult for the CO. The situation also presented challenges to the Sailor who aspired to attain a Chief rating. From these dilemmas sprang the original charge books. Chiefs began to direct PO1's to prepare themselves to assume the additional responsibilities. Ship's professional libraries were nonexistent or poorly stocked and much had to be learned directly from conversations with the Chiefs themselves and taken down to be studied later. In addition to the technical aspects of the various ratings, CPO's also talked to the PO1's about leadership, accountability, supporting the chain of command, and other subject matter often using personal experiences to illustrate how something should (or should not) be done. The collection of notes and study material eventually came to be called a "Charge Book" perhaps because those who kept them were their "Charges" (entrusted to their care) for professional development or perhaps because the entries included "Charges" (authoritative instructions or tasking of a directive nature).

**Chewing the Fat** God made the vittles, but the devil made the cook was a popular saying used by seafaring men in the last century when salted beef was the staple diet aboard ship. This tough cured beef, suitable only for long voyages when nothing else was as cheap or would keep as well, required prolonged chewing to make it edible. Men often chewed one chunk for hours, just as if it were chewing gum and referred to this practice as Chewing the fat

**Chief's Bell** It is at the Navy Memorial, Naval Heritage Center, Gallery Deck. The inscription on the front has an anchor with the words "Chief Petty Officer Centenial 1893-1993" around it.

**Chief Petty Officers** An Executive order issued by President Benjamin Harrision dated 25 February 1893 and issued as General order No. 409 of 25 February 1893 gave a pay scale for Navy enlisted men. It was divided into rates and listed Chiefs Petty Officers. Both the executive and Circular No. 1 listed Chief Petty Officers as a distinct rate for the first time and both were to take effect on 01 April 1893. It appears that this is the date on which the Chief Petty Officer rate actually was established.

**Chief Petty Officer Youngest** Chief Petty Officer at 19: LeRoy Adams Cleaveland Born December 30, 1899. Enlisted in the US Navy on March 5, 1917. Advanced to Electrician (Radio) First Class, E(R)1c August 1, 1918. Advanced to Chief Electrician (Radio), CE(R), June 1, 1919. Honorably discharged on June 26, 1919 and continued service in the Naval Reserve. Died September 1, 1999. Full story

**Chief Petty Officers Stars** Were introduced with the creation of SCPO and MCPO. The reasoning for stars pointed one ray down is unknown, however, indications point to following the line officers standard.

# First Coast Ladies Auxiliary Fleet Reserve Association Unit 91

## FROM THE DESK OF The Unit President:

Let me begin this time by saying a gigantic "THANK YOU!!!!" to all who participated either by donating items and/or bidding on them in the annual Chinese Auction. A total of $523.00 was raised for the Jacksonville Area USO. (The Unit added $27.00 to that amount and presented a check for $550.00 to Executive Director Mike O'Brien recently.) Once again "Thank You for participating!!

We hope that many of you will plan on attending our Fall Luncheon and Game Day scheduled for Saturday, September 26, 2015. Since many of you cannot attend our night meetings, it is our hope that since this is a daytime activity, you will try to come out and join in a time of fun and fellowship with your fellow members. Of course there will good food and yes there will be desserts.

As we are fast approaching the busy holiday season there are numerous activities which are being put on by the Unit-Children's Halloween & Christmas parties, Remembrance Tree, Veterans Day Family picnic, Thanksgiving and Christmas Day Dinners-to name just a few. We hope you will be able to participate in one or more of these activities. Of course, there is still the monthly Steak Night, with the exception of the month December.

Please remember to let us know of any changes in your address and/or phone number. Recently we have had several pieces of mail returned due to various reasons: a lot for undeliverable to incorrect address. We don't wish to loose contact with you.

We would like to send you a card if you are having surgery and/or lost a loved one but we cannot if we are not notified. Please give a call to one of our officers or our Unit Chaplain. Their numbers are on the first Page of the Unit pages located in this newsletter.

As I close for this newsletter, I send my sincere sympathies to those in sadness, get well wishes to those who are ill, best wishes to those celebrating happy occasions and thinking of you wishes to everyone.

With warm regards, I remain in Loyalty, Protection and Service,
Sandra Robbins, President Unit 91

## *2015 Marine Toys for Tots Campaign*

*For the second year the Branch Home will be having a collection box for the annual Toys for Tots Drive coordinated through the local Marine Corp League Chapter (many of their members are FRA members also) which meets in our facilities. The campaign will begin in October and will run into mid-December. (Dec. 11, 2015) During this time period we will be collecting new, unwrapped toys which will be distributed to needy children in our local area. We hope that you will help our endeavor to participate in such a worthwhile program by bringing by dropping off an item in the collection box when you come down to the Branch Home. (If you wish to make a monetary donation towards this program, please send your check to us denoting it for the Toys for Tots Campaign and it will go into that fund.)*

Special Note: November 2015 has been designated as "Toys for Tots" Collection Month and we are asking everyone to bring a toy with them when they come down to the Branch Home especially all of our wonderful steak dinner patrons.

**Remembrance Tree 2015**

Once again the Unit will be putting up its "Remembrance Tree" in the meeting room for the holiday season. This tree will be decorated with gold bulbs and for a five dollar donation you may have a blue ribbon attached to one with someone's name you wish to bring to mind (remember) during this special time of year. Every year this tree has become the main focal point in the meeting room. Please submit names and the $5.00 donation and we will see that it is placed on the tree when it goes up in November. We plan on printing all names in the Jan/Feb issue of this newsletter.

## Food Pantry Donations Needed

*Each month the Unit has been designating a pantry item for our members to bring in to the pantry. (In September the item is cereal. Breakfast Bars and in October it is canned fruit. The Unit appreciates all the donations that have been made to date but know that we are still in need of many items in order to fill the number of baskets we fix for Thanksgiving and Christmas. Our goal is to include enough food in each basket to feed a family of four for approximately one week as well as have the items needed for the traditional meal. Please bring in your items marked for Food Pantry to the Branch home and place them in the Bin located in the Club area. (All the baskets the Unit fixes are given to a local Military Family through the NAS JAX Chaplain's Office.)* ***In October we plan to have a "Stuff the Pantry" night on the same night as the steak Dinner (October16, 2015).***

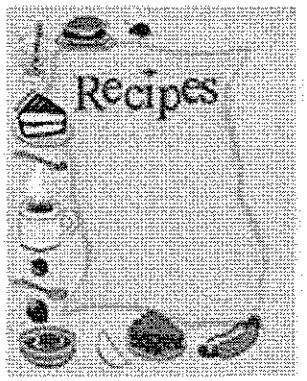
++++++++++++++++++++++++++++++++++++++



We know that many of you are really good cooks and have many tried and true recipes that you make and share at meals and/or covered dish events. We would like to have you send us these recipes so that we could share them in an upcoming cookbook. Coming up soon will be the 70th Birthday Celebrations of FRA Branch 91 and LA FRA Unit 91 and we would like to publish the cookbook for these celebrations. We do not have a definite deadline for submissions yet, but we ask that you take a few minutes and send us your favorites. Please send them to LA FRA Unit 91, 5391 Collins Road, Jacksonville, FL 32244 or drop them off at the Branch home marked LA FRA. Please type or print your recipe and include your name so that you can be recognized for your submission(s).

# Navy Terms and Trivia

**Chief Petty Officer Collar Devices** CPO collar device positions on the following uniforms:
Khaki:Center insignia at a point 1 inch from the front and lower edges of the collar and position the vertical axis of the insignia along imaginary line dissecting the angle of the collar point.
Greens: Same as khakis.
Summer whites: Crown pointing toward the corner of the collar. Center on vertical axis intersecting the "USN" insignia 1" from the front and lower edges of the collar
Dress Blue: Not applicable
Winter working Blue: Center insignia 1 inch from the front and upper edges of collar.
Winter Blue: Same as above.

**Chief Petty Officer Cap Devices** Cap device placement on the following:
Combination: Attach to the mounting band with the stock's enfilade arm to the wearer's right.
Ball cap: Wear squarely on the head with bottom edge parallel to and 1-1/2 inches above the eyebrows.
Tropical helmet: Center a miniature cap device on the front.

**Chief Petty Officer Uniform Trivia** Wearing pens/pencils visibly only authorized with Washed (working) khaki. CPOs can wear uniform sleeves rolled up only with the camouflage uniform.

**Church Pennant** The Church Pennant is the only flag authorized to fly above or at the same point of hoist as the National Ensign however it can only be done at sea and only during the hours of a divine service.

**Clothes Stops** A small diameter cord, approximately 12 inches, used to tie laundry to a clothes line. The early Navy clothes pin. Issued in recruit training until 1973.

**Cockbilling Yards** Yards were once "cockbilled" and rigging was slacked off to show grief. The half-masting of colors is in reality a survival of the days when a slovenly appearance chacterized mourning.

**Cocked Hat** A hat worn by officers with ceremonial uniforms commonly refereed to as a "fore and aft" hat. During the 1700's the hat was worn parallel to the shoulders, but in the 1800's was modified to be worn with the points to the front and back. Wearing of the Cocked Hat was discontinued on 12 October 1940.

**Coffee** - Java or Jamoke is used by bluejackets to designate coffee. Some sailors call coffee "joe", which some say is a derivative of Foster's song, "Old Black Joe." Others call coffee java, jamoke, murk, a shot, or a shot in the arm.
